Fund Dispersal	The maximum allocation for each family is determined using DHS eligibility worksheets. Payments are made using invoices and receipts. May pay a service agency directly or reimburse program participants or the primary caregiver/ representative for approved expenses.	Services must be approved by the administrative agency in advance in order for goods and services to be purchased using NFCSP funds. Payments to service providers are usually made monthly, but other timeframes are allowed.

(assuming there are sufficient NFCSP funds remaining) 	<ul style="list-style-type: none"> • Respite care is limited to 112 hours per calendar year. (Jan.-Dec.) • Before requesting NFCSP funds for a person with dementia, case managers should check with the AFCSP Coordinator to see if there are funds available through AFCSP, and if so, whether the person is eligible for AFCSP. • Best practice is to enroll a person with dementia in AFCSP first rather than NFCSP. If a family is eligible for AFCSP but funds are unavailable, they may enroll in NFCSP but should also be added to the AFCSP waiting list.
