Potassium Call List

- Call out each word or phrase starting at the top.
- To make the game more challenging, give a clue instead of saying the word.
- Use the extra space on this page to write your own notes (e.g., clues you'll use for each word/phrase).

heart

oranges

spinach

beans

bananas

yogurt

edamame

electrolyte balance

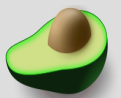

Potassium

cantaloupe

orange juice

avocado

milk

fruits

regulates nervous system

whole grain

prune

apricot

sweet potato

bones

brain
