WHO WE ARE

The **Wisconsin Aging Advocacy Network** is a collaborative group of individuals and associations working with and for Wisconsin's older adults to shape public policy and improve the quality of life of older people in Wisconsin.

ORGANIZATION & STRUCTURE

WAAN operates on an informal basis (without a board, officers, or titles) although informal leadership has currently been designated to Greater Wisconsin Agency on Aging Resources' executive director Robert Kellerman.

Membership consists of two types: **core** (organizations funded under the Older Americans' Act) and **affiliate** (other groups and individuals with an interest in and commitment to advocacy on behalf of older people). Core members vote on and adopt WAAN's platform of priority issues. In the rare event that an issue arises upon which WAAN opts to take a position but which is not directly addressed in the WAAN platform, WAAN core members can opt out of supporting that position.

Potential new members will be approved by consensus of the WAAN membership. WAAN affirms that older adults should always be at the table in discussions on issues that impact them.

WAAN holds monthly meetings of core members and affiliates to discuss, strategize, and coordinate activities relating to current advocacy opportunities.

WAAN's Mission

The Wisconsin Aging Advocacy Network's (WAAN) mission is to work with and for Wisconsin's older adults in shaping public policy to improve their quality of life by educating supporters and opponents, mobilizing allies on priority issues, and advocating positions visibly and effectively. WAAN is a collaborative group of individuals and associations organized to:

- Expand the power base of each affiliate organization through creation of a statewide advocacy group.
- Utilize the shared experience and knowledge base of member organizations and individuals to identify priority issues.
- Engage member organizations and individuals in advocacy strategies and campaigns around priority issues.
- Increase the capacity for grassroots leadership to bring about systemic change through ongoing training.
- Help build a society that values and supports people as they age.

Invest in Aging/ADRC Network Funding

What's Happening?

- Aging Units and Aging and Disability Resource Centers (ADRCs) serve older adults and people with disabilities in every Wisconsin County and Tribe.
- Local Elder Benefit Specialists (EBSs) provide counseling and assistance with Medicare, private health insurance issues, Social Security, housing, consumer debt, Medicaid, Supplemental Security Income, and FoodShare.
- Local professionals at ADRCs provide individualized community resource options counseling so customers can make informed decisions about their needs.
- ADRCs are the only provider of local, unbiased decision support.
- There are no income or asset requirements to use ADRC services.
- There has been a 22% increase in ADRC customers with no state funding increase.

Why Does it Matter?

- Aging Units and ADRCs programs and services provide savings for taxpayers, individuals and families.
 - ♦ The average annual monetary impact of the benefits of one full-time EBS to clients and the community is \$1,831,085.
 - ♦ Every \$1 invested into Wisconsin ADRCs leads to a savings of \$2.48.
 - ♦ ADRCs save nearly \$1,000,000 per 1,000 customers served. ADRCs had over a half a million contacts in 2020.
- People receiving options counseling at a local ADRC are 89% more likely to access privately paid resources rather than utilizing services through Medicaid-funded long-term care programs.

Ask Legislators to:

- Increase state funding for Aging and ADRC programs and services to:
 - ♦ Ensure that as our populations ages, the increasing number of Wisconsinites served can make the most of their own resources;
 - ♦ Prevent or delay use of Medicaid-funded long-term care programs; and
 - ♦ Provide older adults, people with disabilities, and family caregivers the information needed to make fully informed decisions regarding their health, well-being, and care needs.

Support Family Caregivers

What's Happening?

- Wisconsin family caregivers need help. Family caregivers are the primary providers of long-term care...care that often goes beyond what they can do when they also have jobs or live far away, doing things like providing:
 - ♦ direct care
 - ♦ care management
 - ♦ transportation
 - ♦ medication management
 - ♦ scheduling medical and therapy appointments
 - ♦ assistance with benefit applications
- There are not enough providers to hire for assistance.

Why Does it Matter?

- Many family caregivers face financial burdens because they:
 - ♦ have to leave their jobs or reduce work hours;
 - ♦ have no paid leave benefits; and
 - ♦ spend, on average, \$7,000 out-of-pocket annually on expenses related to their caregiving role, and even more when caregiving from a distance.
- Family caregivers need breaks. Limited respite funding and lack of providers is making it difficult for caregivers to receive a break.
- Continual stress has a negative effect on the physical and mental health of both family caregivers and the people they care for.
- Aging family caregivers may need supports and services themselves to remain at home.
- It is difficult for those needing care who lack family caregivers or paid providers to stay in their own homes and communities.

Ask Legislators to:

- Support a family caregiver tax credit.
- Increase respite funding throughout Wisconsin.
- Expand Family and Medical Leave (FMLA) to:
 - ♦ include grandparents, grandchildren, and siblings; and
 - ♦ create an employee-funded FLMA insurance program to fund paid leave.

Keep Voting Simple

What's Happening?

- Many older adults and people with disabilities face barriers to voting. These include:
 - ◆ polling place accessibility issues;
 - ◆ limited access to transportation;
 - ◆ difficulty obtaining valid photo ID for voting;
 - ◆ health or disability related concerns that limit their ability to vote at the polls or by absentee ballot;
 - ◆ no or limited internet access; and
 - ◆ no available assistance or support.

Why Does it Matter?

- It can be complicated for some people to vote.
- Some people with chronic conditions and/or disabilities are left out of the voting process.
- For our democracy to work, it must include all of us, including people who need assistance to vote and/or people residing in care facilities.

Ask Legislators to:

- Support policies that make our elections more accessible.
- Say no to bills that make it harder for older adults and people with disabilities to vote.
- Add screen readers compliant with the Americans with Disabilities Act (ADA) to ensure accessible absentee ballots.
- Require poll workers to complete training on disability rights and accommodations.
- Fund transportation for voting related activities.
- Improve access to photo ID so older adults and people with disabilities can exercise their right to vote by:
 - ◆ expanding the Dept. of Motor Vehicles (DMV) service hours; and
 - ◆ adding DMV mobile sites where IDs can be obtained.

Aging Advocacy

You are the Expert!

Telling Your Story to Policymakers

SOAR

S - Set the scene: Who is the story about? Where are you in the story? How does it affect you? What does it look/feel/sound like?

O - Obstacles encountered: What is the problem? What are you grappling with, hoping to achieve or accomplish?

A - Action: What do you need to happen? How is what you are asking going to affect you and/or the people you serve?

R - Resolution: What is the outcome you are seeking? **Make your ask?**

Making your ask!

- 1. Introduce yourself (Set the Scene)**
Your name, where you live (you want to establish yourself as a constituent), where you work (if relevant); include details to set the scene for your story - are you an older adult, caregiver, aging network professional, other? Is your relationship to the issue personal, professional, both?
- 2. Introduce your issue and experience (Obstacles and Action)**
Introduce your issue and how your issue impacts you or your agency, older adults or caregivers, and/or the community. Share your experience with the issue. How will what you are asking for impact you and/or others?
- 3. Make your ask (Resolution)**
Make sure to let your legislator know what you want. Do you want him/her to introduce a new proposal/bill, support or oppose an existing bill, change a current policy? Increase funding for a particular program?

Basic Zoom Meeting Instructions for Aging Advocacy Day Participants Using a Desktop Computer

You can join an online meeting through an email invite, an instant messaging invite, from a web browser, from the Zoom desktop and mobile application, from a landline or mobile phone, or with an H.323 or SIP device.

To join the Aging Advocacy Day training:

- Click the **Join a Meeting** link in the email you will receive/have received regarding the training.
- Select if you would like to connect audio and/or video.
- Click **Join**.

Participants have access to these features:

Participant controls

- **Join Audio** or **Unmute** / **Mute** : Mute and unmute your microphone. Audio Controls (click the ^ arrow next to **Mute** / **Unmute**): Allows you to change the microphone and speaker that Zoom is currently using on your computer.
- **Start Video** / **Stop Video** : Turns your camera on or off.
- Video Controls (click the ^ arrow next to **Start Video** / **Stop Video**): Change cameras if you have multiple cameras.
- **Participants** : See who's currently in the meeting. You can also access these options by hovering over your display name and clicking **More**:
- **Rename**: Change your screen name displayed to other participants.
- **Closed Caption** or **Live Transcript** : Click to start viewing a live transcript of the training.
- **Reactions** : Clicking this icon allows you to provide reactions/nonverbal feedback during the meeting, as well as an option for raising your hand if you would like to make a comment or ask a question. These reactions are shown on your video panel and next to your name on the participants' panel.

To chat online with everyone or to type in a question:

1. While in a meeting, click **Chat**  in the meeting controls.
2. In the **To:** drop-down menu, select **Everyone**.
3. Enter your message or question in the chat window.
4. Press **Enter** to send your message.

To leave the meeting:

- **Leave:** Clicking on the red “Leave” button in the lower righthand corner of your screen to leave the meeting when it is finished or, if needed, to leave the meeting while it continues for the other participants (Note: Don’t worry this will not end the meeting for everyone).
