Nutrition Team

Week of May 02, 2022

Congratulations to Bob Kellerman!

Bob, Executive Director of GWAAR, is retiring, and his last day will be June 1. Bob's graciousness, leadership and endless advocacy for older adults will be missed! Bob, enjoy your new journey in life. We are thankful for your years of service to the nutrition network.

Staffing Recruitment Idea!

Trying to get the word out? Please feel free to use wisnutrition@googlegroups.com to share your job postings for your nutrition programs. Your job posting will go out to the entire nutrition network. For example, if you are looking for someone for your Janesville meal site, one of your peers would see it and might know of someone who lives in Janesville who would be interested in a position. Just like that, you've got another way to help with staff recruiting.

Dietitian/Diet Tech Peer Sharing Call

The next Dietitian/Diet Tech Peer Sharing Call is May 26th from 9-10:00 a.m. Join on your computer or mobile app :

March for Meals!

The Sauk County Nutrition Program celebrated *March for Meals* by inviting community leaders to ride along with ADRC staff and volunteers during *Community Champions Week*.

Spring Might Be Here!

At least the Winnebago Nutrition Program decided it was Spring. They collaborated with students at a local school to design "bunny bags" for their home delivered meal participants. What a wonderful way to bring a smile to the participants!

Forms, Forms and More Forms!

Just a reminder to make sure you let your GWAAR Nutrition Representative know of any changes in your program. If you are closing a site, relocating, or opening a new one, please fill out the correct form. If you are just not reopening a site that has been closed due to COVID, that is considered "closing a site". You will need to fill out a Closing Form and have approval from GWAAR. You can find the forms for changes on the GWAAR website: https://gwaar.org/forms_1, or always feel free to reach out to your GWAAR nutrition representative.

HDM Video

Check this great video created by the UW Interns at <https://youtu.be/Ji-3uGRllyg>! This was filmed at Marquette County and we want to give them a shout out for letting us film their program.
