Help with your costs

Do you get help with your costs from one of these programs?

- Medicaid
- Supplemental Security Income
- Medicare Savings Program
- Extra Help from Social Security

Helps people with limited income and resources pay Medicare prescription drug costs, like premiums, deductibles, and coinsurance.

- I'm not sure
- I don't get any help from any of these programs

How much Extra Help did you get from Social Security this year?

- I get the full amount of Extra Help
- I get a partial amount of Extra Help

Starting January 1, 2024, Extra Help will expand to cover more drug costs for certain people with limited income and resources. You'll see these lower costs when you compare plans for 2024.

- I'm not sure

What percentage do you pay for your monthly prescription drug plan premium?

- 0%
- 25%
- 50%
- 75%

For the best experience, log in or create an account.

When logged in, you can:

- See drug prices based on any help you get
- Compare your current plan to others
- Access & store your drug list
- Enjoy other useful features
