

Outagamie County Aging Unit Survey
Planning with you; not for you

Outagamie County Aging Unit is looking for your thoughts and ideas that will help us improve programs and services for the residents of Outagamie County. Your answers will help us develop a Three-Year Aging Plan.

The Aging Unit is charged with representing the views, concerns and interests of older adults and their caregivers. Let yourself be heard by participating in this survey, and help the Aging Unit create goals that strives to preserve the dignity and security of older adults, making it possible for people to have as many selections and services as possible as they grow older.

1. What do you think are the main challenges adult's midlife and beyond are facing in Outagamie County? Select all that apply.

- | | |
|--|---|
