# Brown County In-District Legislator Meeting

Thank you for participating!

This discussion has the goal of connecting people to their legislators and sharing their experiences around the Aging Network Advocacy issues. The Wisconsin Aging Advocacy Network has prepared position papers that will be brought to life through the voices of people living the issues right here in Brown County. The format of the meeting is an informal group discussion where constituents and legislators alike can share their thoughts and experiences together. Many local constituents will be present to share their stories.

## Agenda

- **9:00** Welcome & Check-In
- **9:10** Introduction: Overview of ADRC and statewide priorities.
