**CAREGIVER  
RESPITE GRANT  
PROGRAM**

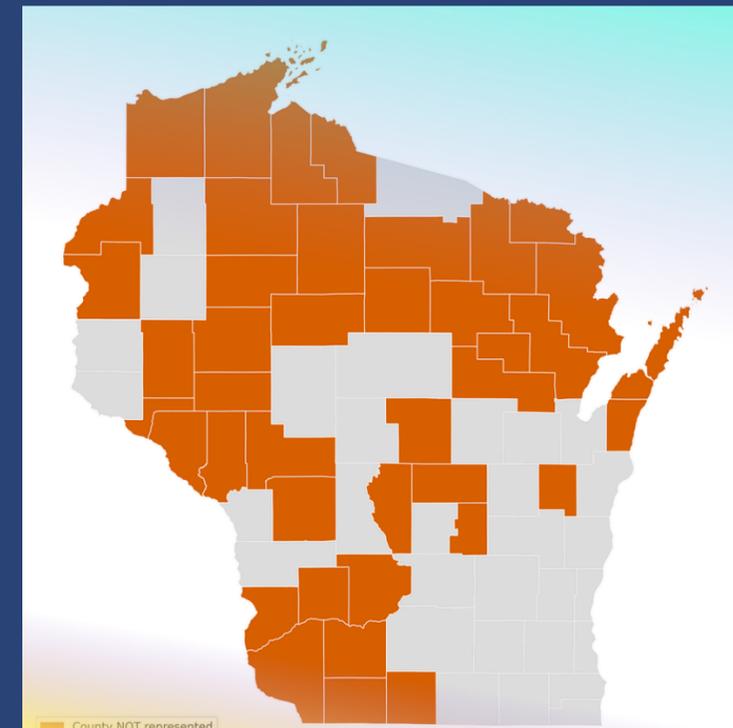

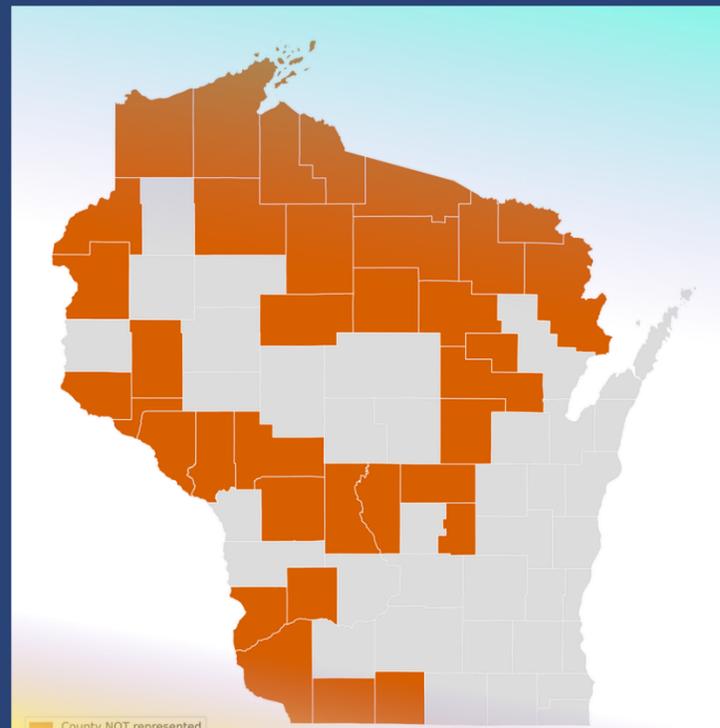

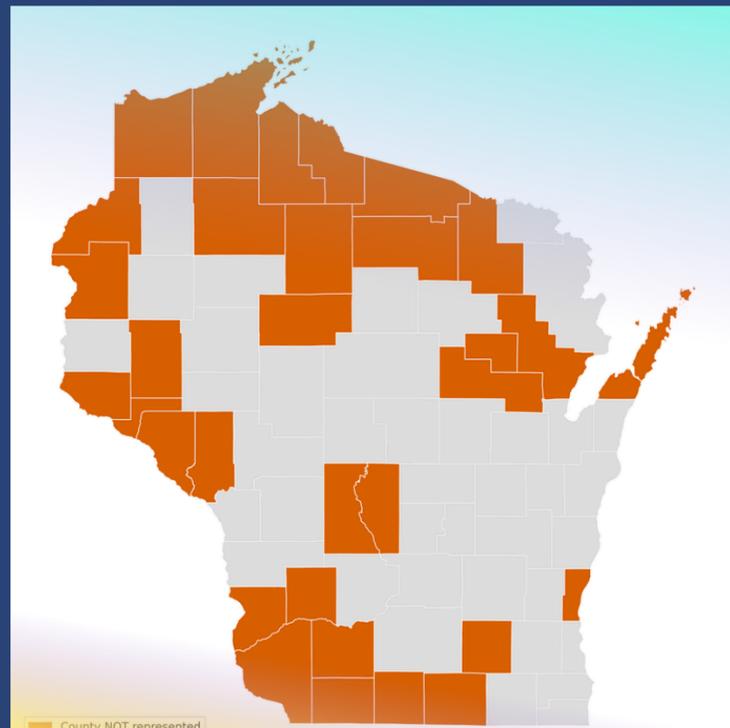

## Eligibility for all grants is the same:

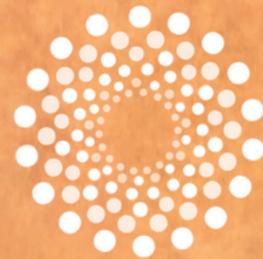

Eligibility requires a supporting professional (such as ADRC, Tribal ADRS, or a county case manager) to verify that the care recipient lacks timely or sufficient respite support. This may include situations where the person is waiting for long-term care services, was denied support, has exhausted available funds, needs services not covered by current funding, or is not eligible for other programs.
